A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

City of Huslia	=	City
Alaska Native Tribal Health Consortium	=	ANTHC
Community Development Block Grant	=	CDBG
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On Aug. 5, 2004, ANTHC and the City of Huslia executed a CPA authorized by the Denali Commission to construct a new health clinic in Huslia, Alaska. Project activities included site preparation, materials and equipment, construction, and labor.

On Dec. 13, 2004, ANTHC and the City of Huslia executed an Amendment No. 1 to the CPA to add \$397,039, via Denali Commission Financial Assistance Award Project No. 0071-DC-2002-I24, Amendment No. 3, dated September 2004.

B. REVISION OF PROJECT FUNDING

This Amendment adds \$200,000 of FY05 Community Development Block Grant funds.

Amendment No. 1 identified a project budget that included \$48,850 in "City" funding and \$109,260 in unspecified "Remaining" funding. This Amendment rescinds these funding sources and amounts and replaces them with the CDBG funds.

Project funding therefore totals \$1,655,329.

A revised project budget and funding sources table is provided below.

Job Type	Scope of Work	Qty	Units	Unit Cost	Central Oper.*	Total Cost	Funding Sources			
							Denali FY03	Denali FY02	Matching Funds	
									IHS FY03**	CDBG FY05
M-CL	Construct new clinic	1	LS	1,535,815	119,514	1,655,329	893,712	397,039	164,578	200,000
Total Award						\$1,655,329	\$893,712	\$397,039	\$164,578	\$200,000

* Central operations services pay for ANTHC engineering technicians, drafting services, surveying, financial support, shipping and receiving staff support, and those services in direct support of force account type construction.

** IHS Tribal Equipment funds

By signing this Agreement, the City agrees its matching CDBG funds shall be transferred to ANTHC and used for the project. If these matching funds are not made available, project activities will be curtailed.

This document constitutes Amendment No. 2 to the CPA to construct a new health clinic in the City of Huslia, Alaska. All other sections of the original CPA and/or Amendment No. 1 remain in effect as agreed upon and executed.

MEMORANDUM

DATE: November 2006

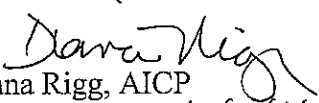

FROM: Environmental Coordinator

SUBJECT: City of Huslia— Final Environmental Review
Amendment No. 2, Project No. AN 04-G86

TO: FOR THE RECORD

An environmental review, in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA), is required for this project based upon proposed Federal funding for this project. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with this phase of the project in consultation with applicable federal, state, and local authorities. An Environmental Review Checklist was completed August 10, 2004 for the proposed health facilities project. The scope of the project remains unchanged with Amendment No. 2.

The ANTHC will revisit the environmental review to determine if potential environmental concerns have been addressed if the scope of work changes in the future.
